MATTHEW MITCHELL

Software Engineer

SUMMARY

Creative, detail-oriented, software engineer with a deep interest in solving complex problems. Proven track record of creating and implementing successful front and back-end web applications with extensive experience in team supervision for a multinational corporation. Looking to bring my skills to a tech company with global reach.

WORK EXPERIENCE

Software Engineer at 100Devs | Los Angeles, CA

January 2022 — Present

- Built semantically structured full-stack web applications.
- Collaborated with a team of developers to build modern and responsive web applications using HTML/CSS/JavaScript/Node.js/Express/MongoDB.

Recent Projects:

- **Stitched to Death -** Full stack web app for the needlecraft community.
- **Graphic Designer Portfolio -** Responsive front-end mockup for a client.
- **Bean Envy**- Business Website for a coffee shop.

Freelance Work:

- **Personal Resume -** A customized website showcases a customer's resume.

Team Lead and Lead Mechanic at Spin | Fort Collins, CO

July 2021 — Present

- Led a team of fifteen to meet daily and weekly repair and logistics goals in a market of over 700 electric vehicles.
- Diagnosed and repaired up to twenty electric vehicles a day.
- Numerous streamlined procedures to increase efficiency.
- Having a proactive and team player mentality resulted in three promotions.

Warehouse and Logistics at Mondo | Austin, TX

October 2019 — March 2020

- Worked on a team to package and ship hundreds of packages of fine art every day.
- Helped move the entire warehouse to a new location with tens of thousands of inventory.
- Helped formulate logistics and package hundreds of pallets of merchandise to a fulfillment company that handled some of our shipping.

Customer Service and Logistics at sirmitchell.com | Austin, TX

May 2015 — October 2019

- Responsible for shipping/receiving, customer service, and logistics of tens of thousands of orders for an eCommerce site.
- Streamlined the shipping logistics to increase productivity by up to 50%..
- Experience working at conventions such as ComicCon in San Diego and MondoCon in Austin.
